UNIVERSITY POLICY SA-02.03-06/01

DATE: June 21, 2001

TO: University of West Florida Community

FROM: Morris L. Marx, President

SUBJECT: Santa Rosa Island Property Use Policy

AUTHORITY: Section 240.227 F. S.

Policy/Purpose: Describes Use of Santa Rosa Island Property

The University of West Florida is the owner of nine-tenths of a mile of Santa Rosa Island beginning just east of the last residential area on Pensacola Beach and just west of the Gulf Islands National Seashore Navarre day-use area. The following guidelines apply to groups using this space.

1. Parking is allowed on the roadside soft shoulder. Beach access is limited to existing trails between the dunes. Careful attention not to walk over dunes or through sea oat growth areas should be observed.

2. Student organization functions should register their event with the University Commons and Student Activities Office; or sports clubs with the Office of Recreation.

3. Space is not reserved and is available on a first-come, first-served basis.

4. Glass containers are not allowed.

5. Fires on the beach are prohibited.

6. Groups are responsible for clean up.

7. This area is not a designated lifeguarded swimming area. Groups are responsible for employing a certified lifeguard.

8. The beach is available from sunrise to sunset.

9. Camping is prohibited.
