Describes Standard UWF Practice With Regard to Alcoholic Beverages

Local, state, and federal laws pertaining to the possession and use of alcoholic beverages are in force on the university campus. Consumption of alcoholic beverages in public places on campus is prohibited except in those areas and under those conditions specified herein. All buildings and grounds of the campus are considered to be public places with the exception of residence halls, which are considered to be private living quarters and are, therefore, excluded from the provisions of this regulation.

The possession and consumption of alcoholic beverages are limited to beer and wine and are permitted in the following approved and designated public areas: University Commons, Library Foundation Room, Center for Fine and Performing Arts, Oak Grove picnic area, and the Santa Rosa Island property. Possession and consumption of beer and wine in the University Commons are restricted to that sold by the university food concessionaire. The university food concessionaire is responsible for the supervision of all beer and wine sales in the University Commons.

The university does not approve the sale, possession or consumption of any alcoholic beverages at the Fort Walton Beach Campus.

Specific exceptions to this policy may be made only by the Vice President for Student Affairs when all provisions of the law and all agreements with the university food concessionaire have been satisfied.
