UNIVERSITY POLICY SA-18.00-0102

DATE: January 9, 2002

TO: University of West Florida Community

FROM: Morris L. Marx, President

SUBJECT: Health Requirements for International Applicants

AUTHORITY: 6C-6.009 Admission of Foreign Students to SUS

Policy/Purpose: Defines medical documents required by international applicants

Each non-immigrant international applicant is required to provide a completed physician’s evaluation form and documentation of immunity to measles and rubella prior to enrollment at the University of West Florida or in its International English Center’s Intensive English program. This requirement applies to international applicants regardless of visa type. This requirement may be waived for special short-term programs by the vice president for student affairs.
