The University of West Florida Pensacola campus is a beautiful 1,650-acre nature preserve of hills, woods, waterways and green fields, including the Edward Ball Wildlife Sanctuary and the Nature Trail. Students also have access to high-tech labs and classrooms, a climbing wall, three gyms, and a food court with a juice bar. The university is home to 20% minority students, with 41% women and 14% graduates. With 9,200 UWF Students, there are 1 doctoral degree, 2 specialist's degrees, and a variety of minors, including business administration, education, and recreation. The mascot is the Nautilus shell, and the school colors are blue and white. The UWF Alumnus Current Position Grad Year includes various positions in education, sports, and recreation, such as Assistant Director of Campus Recreation, University of Arizona, and Recreation Director, Kennedy County Parks, KY. The University of West Florida is proud to be a place where students are encouraged to excel in their chosen fields. The university is committed to providing all the necessary tools to make that happen.
