University Commons and Student Activities
Strategic Goals

1. To plan, implement, and promote an ongoing campus life program including film, performing arts, entertainment, recreation, and special events.

2. To promote student involvement through supporting the development and maintenance of student organizations including a well functioning Greek system.

3. To provide appropriate student union (University Commons) facility operations and services in order to provide a place that supports student, faculty, staff, and community interaction and engagement.

4. To manage essential administrative functions in order to support the comprehensive student union concept suggested by our vision, mission, and values.
